Due to COVID-19, Make ups for the months of March and April will not expire until used.
2. **Early Pay** – Payments made before the first day of each month receive a \$5.00 early pay discount, \$60.00 annual.
3. **Late Payments** – Payments not received by the 7th of each month will be charged a \$10.00 late charge.
4. **CCGI classes run year-round** – Each child stays enrolled in their class and **you are responsible** for payment of the class until CCGI is notified in writing, that the student will not be continuing classes. It is important to stop by the front desk and fill out a drop slip or go online and drop the class.
5. **CCGI vacation policy** – CCGI allows **two weeks' vacation credit** per year without dropping a class. You must notify prior to missing classes and before payment is made for the month. This allows you to take a vacation without having to drop your class.

Proper Gymnastics Attire:

Girls – Should wear a one- piece leotard. No jeans, jean shorts, button up or mid drift shirts are allowed. No jewelry! (small stud earrings ok)

Boys – Should wear athletic shorts/ athletic pants. T-shirt or tank top is required.

Hair – Hair needs to be pulled up out of face and eyes. If it is not long enough, it needs to be completely pulled back. Long hair should be secured tightly up in a bun, ponytail, or braids.

During Class – please try to limit distractions to your child. It is very important to let the instructor have your child's full attention.

You are more than welcome to leave suggestions and comments at the front desk in the payment box.
